

Should you be interested in accessing our training platform, simply share your e-mail address with us. Once we have your e-mail address, we will create an account with your credentials.

1. You will then receive an automated welcome e-mail from noreply@talentlms.com, with your **Username** (see image 1).

2. You must then click on **Create my password**, and a page will open where you can enter your temporary password: this password will be valid only for the first login. Once you wrote your password, you can click on «Crea password» (see image 2).

3. You will be redirected to a page where you will be able to log in, using the username indicated in the e-mail and the password you have just created (see image 3).

4. When you log in for the first time, you will have to reset your password: the password entered in this window will become the definitive password for your account (see image 4).

A login form with a light gray background. At the top, the text "NOME UTENTE O E-MAIL" is positioned above a white input field with a blue border. Below this, the text "PASSWORD" is positioned above another white input field. A prominent blue button with the text "Accedi" is centered below the fields. At the bottom of the form, the text "Hai dimenticato la password?" is displayed, with "password" in blue and underlined as a link.

A "Resetta la password" form with a white background and a dark border. The title "Resetta la password" is at the top. Below it, the instruction "Inserisci una nuova password per il tuo account" is centered. The form contains two input fields for password entry, each with a "Password" label to its left. A blue button labeled "Resetta la password" is centered at the bottom of the form.
